Yesterday was a brilliant day of learning for teaching staff. We spent most of the day working with 2 other schools to improve our understanding of the RE Curriculum which was renewed a couple of years ago. Personally, I was most impressed by our staff in the way that they ensured that all suggestions for new ideas had to have a positive impact on student learning, and were realistically achievable. Thank you to our staff for your ongoing commitment to our students and their learning.

Mass this week
This Friday, at 11:30, Preps will be celebrating Mass with Fr Longinus. Prep L will be hosting Mass and all parents are welcome to attend.

SunSmart and school hats
The Cancer Council have notified us that the UV levels are already starting to climb. As such, we will need to start wearing hats again from the 1st of September. Over the next couple of weeks, please make sure that your children have a school hat ready for September 1.

Solomon Islands
Miss Lamendola, one of our Learning Support Officers, is studying Education at ACU, and her placement this Semester is in the Solomon Islands. Please see the attached flyer regarding donations that are being collected by Miss Lamendola. These donations will be taken to the communities where she will be completing her placement.

Father’s Day Breakfast
This Friday, we are celebrating Father’s Day with a BBQ breakfast. Please ensure that you have responded to the eForm on CareMonkey to assist us with catering.

Father’s Day Stall
This Friday, all classes will visit the Father’s Day stall which is organised and run by our very generous Parent’s Association. If you are available to help set up the stall between 1-3pm on Thursday 30th, or sell at the stall between 9-12pm on Friday 31st, please email htsmpa@gmail.com.

Books and Blokes

This Friday is ‘Books and Blokes’! Dads or Special friends are invited to attend on Friday morning after the Father’s Day Breakfast. During this time Dads/Special Friends can enjoy spending quality time in the Library reading books together. In the past, this has been a popular event enjoyed by every who has attended, so we are looking forward to another great morning this Friday.

Our Literacy & Numeracy Week & Book Week celebrations activities are commencing in Week 10. The table below outlines some of the activities that we have planned. There will be student work displays, book and maths game sharing, family activity, maths quiz and dress up day! Please put these dates into your diary. We look forward to sharing these celebrations with you through our School Blog.

Dear ACU students, Colleagues, Business Owners, Families and Friends,

August, 2018

Re: Seeking donations for the children and schools in the Solomon Islands

Each year, a group of B Ed primary ACU students go to the Solomon Islands to complete their placement or community engagement throughout November. During our visit, we work with Bishop Epalle Catholic School in Honiara and Poposi Primary School on North Savo Island, as well as visiting some small island villages and schools (such as Soho and Nogotuo schools).

The Solomon Islands is one of the poorest of the Global South (developing) Countries in the world. Education in the Solomon Islands is not compulsory and only 60 percent of school-age children have access to primary education, often with very little resources.

Virgin Australia has agreed to donate one free bag per person (23kgs) for the trip over with the agreement that we will take as many resources to the schools and communities that we visit. Therefore, we are trying to gather as many educational resources as we can to take to the schools and communities we visit.

If you would like to contribute something that you think would be useful in a primary school, it would be much appreciated. Some ideas are listed below:

- Stationary: Coloured pencils / textas / crayons; Pens / pencils for writing; Erasers, sharpeners
- Any sporting equipment- any sort of gear, tennis balls, footballs, marrows, skipping ropes (new/secondhand)
- Anything Australian (like the things from $2 shops) - e.g. little koalas, kangaroo keyrings, maps etc.
- Teaching materials and workbooks
- Anything that can be used as a teaching resource in a classroom.
- Children’s Books: big books, picture books, poetry, nonfiction and chapter books suitable for younger readers, primary, tween and young adult.
- Any art supplies (pencils, brushes, crafty stuff etc.)
- NR. We do not need plain paper or exercise books as we can purchase those in-country.

Financial donations are also welcome and go towards school projects. For example, in 2017 we funded the building of the Poposi School Library. Any monies raised are spent on projects negotiated with the schools and communities based on their present needs.

On behalf of the staff and students on the Solomon’s team this year, thank you for any support you are able to provide.

Kind regards,

Dr Renata Cinelli
(ACU Solomon Islands Placement and Community Engagement Coordinators).
